## Digijet matt white vinyl

### key features

- > For medium term outdoor use
- > Exceptional print quality on dye or pigment based printers
- > Calendered vinyl
- > Permanent adhesive

product code	size	18m roll	5 rolls
DJMV91	915mm		
DJMV12	1270mm		
DJMV12	1520mm		

## Digijet ultra clear transparent self adhesive film

### key features

- > For medium term outdoor use
- > Exceptional print quality on dye or pigment based printers
- > Extremely flat polyester film
- > Permanent adhesive

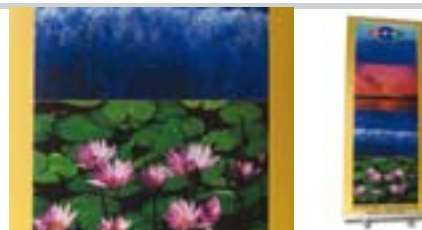

product code	size	18m roll	5 rolls
DJUCT91	915mm		
DJUCT12	1270mm		

## Digijet matt polypropylene film

### key features

- > Smooth matt finish
- > High strength material—Tear resistant
- > Water and scratch resistant
- > 225 micron
- > Excellent print quality on dye and pigment based printers

product code	size	30m roll	5 rolls
DJMP91	915mm		
DJMP12	1270mm		
DJMP15	1520mm		

## Digijet frontprint backlit polyester film

### key features

- > Glossy stayflat polyester film
- > Water and scratch resistant coating
- > Exceptional print quality on dye and pigment based printers

product code	size	30m roll	5 rolls
DJFBF91	915mm		
DJFBF12	1270mm		
DJFBF15	1520mm		

### CHECK IT OUT

Overlamine all water based media with pro-laminate to prolong print life and enhance gloss levels. See page 52
